Green River College has an [Age Exemption Policy, SA-26](#), which states students under the age of 18 who have not earned a diploma or the equivalent from an accredited high school may be admitted only upon appropriate release from their high school. If a student will not turn 16 during their first quarter of enrollment, the student must contact the Director of Career and Advising, at BeAdvised@greenriver.edu or (253) 288-3482, to seek an exemption to the minimum age requirement.

Per [RCW 28A.200.011\(1\)](#) and [RCW 28A.225.010\(4\)](#) parents of students receiving home-based instruction must file a signed declaration of intent with their district of residence annually. Please provide a copy of the declaration of intent with this form, which will serve as a release from your high school, as noted above. The declaration must be on file prior to enrollment.
